

Call to Order 7:12pm, Judith Peters lead meeting

In Attendance: Judith Peters, Andrew Vasquez, Tessa Vasquez, Mandy Callahan, Stephanie Minderhoud, Jaime Luevano, David Barnard

Guest in Attendance: None, but one person came to register from 6-7 p.m.

Approval of April Minutes: We do not have a quorum so **this in an informational meeting.**

Treasurer's Report- Max Barteau: No Report. It will be emailed to us soon.

Referee Report: No Report

Registration: Mandy emailed the registration numbers. The numbers look low. We had a discussion about U16 Boys. We only have 4 U14 Boys signed up. David will contact the U14 boys to see if they want to move up. We have until Sunday to enter all the registration numbers. Monday we'll meet and figure out how many teams we have in each division.

After 6/30/13 a \$20 late fee is applied to registrations. After 7/15/13 a \$20 fee is added and they are wait-listed.

Stephanie is buying the binders and putting together the coaching binder material. Some of us discussed having a meeting between team formation dates to put the binders together.

Questions for Max: How many binders do we still have and how many do we buy? Ask Max to add the \$20 fee on Sunday night. Andrew needs a key for the sprinklers. How much money do we have from registration so far? Do we pay PRPD for renting Moore Rd. for Challenger Camp? Who is making up the Sparks and Magic player cards?

BYSL Report: Stephanie attended the BYSL meeting as did Max. She reported that the meeting went well. Max can report more about this next meeting. Both Paradise competitive teams have applied for Bronze They may be in the same division and play against each other. Both coaches have no problem with this. The Sparks are all entered into the computer. Mandy is still waiting on Ron's completed registration.

Check with Jenny Agnew, BYSL Registrar, about the deadline for competitive teams.

Referee Report: No Report. Wayne is absent.

Coach Report: David Barnard

F Clinic was successful. 7 coaches showed up. 1 or 2 coaches came from Paradise. Len Findlay brought his own mower to mow the fields early Sat.

June 26, 2013

UK Coaching Clinic was successful. The Coach's clinic was good too with about 7 coaches attending. There were 21 kids attending the camp. This is more than last year. David signed a contract for next year with dates that are flexible. The earlier the camp is in the summer the better. We'll keep UK in June and Challenger in August.

The numbers look good for coaches. David gave us his report. He'll have the lists for Monday night's team formation.

Question: If a coach or assistant coach isn't at the game but the binder is there, can the game go on with a non-fingerprinted parent? We have to have a fingerprinted coach or board member at each game, correct?

PRYSC Fingerprinting: August 5 or 7th at Round Table Pizza. David, Max and Jeff Schweig from Live Scan are figuring out which of these dates work.

BBQ is July 21st. David is shopping. He'll get blank checks from Max. We are not able to find someone with a truck to haul the goals. Instead of setting up goals we will have 3 different stations with coaches teaching exercises/drills. Jaime will bring the left over H2O from Gold Nugget.

How many board members are coming to the BBQ? So far we have Mandy, Judith, Jaime, David, Shakay. Steph will email the rest of the board to find out who can help.

Jaime, David and Judith say a few words of welcome. **Remind coaches to call their players ASAP !**

Stephanie will make up a list of fields and a sentence about field etiquette to put into the coaching binder.

Events & Publicity: Grocery Outlet will do a booth and sell food at very reasonable prices. They'll be self-contained. Sheryl is the Manager of Grocery Outlet and is being very helpful about getting more vendors. Money will go to our Scholarship Fund. Blue Sugar is out of town on Jamboree but would like to be there for soccer Saturdays. The Magic would like to be vendors on Jamboree and Ron will be contacting Jaime. Judith is getting info about a coffee vendor.

We will offer Soccer Saturday fund raising opportunities to both Paradise competitive teams AND our sponsors.

We **must** plan the Jamboree at the July 15th meeting.

Sponsors: We will put Jaime's name on the Parent Letter for the binder. You must contact Jaime Luevano with your sponsor by Aug 3rd. jaimeluevano@comcast.net

End of Season Banquet: November 1st 6-8:30 at Lutheran Hall David B. will book it. We need to find a caterer – possibly PHS food club (contact Christine Becker) or Feather River Hospital Chef. We need costs for this. Tessa will talk with Charli to see if she has any ideas.

Volunteer List: Judith will put this list on the computer and pass it on to other board members.

Field & Equipment Andrew Vasquez

We will remember to mow the fields before coaching clinics and summer camps. **Can Andrew just go onto the fields and start working on them?**

Andrew has a list of 6+ names that signed up for helping with the fields. He'll call them and try to make a committee to help mow, line, etc. He has contacted John Christie who is very open to help out.

New Business:

Website: Leave sponsors on until July. Put the new Sponsors on as soon as we get their logos. Jaime will compile a list of sponsors and contact Ed to learn how to put them on with their logos.

Ike Rivera and Magalia Community Church have land in Old Magalia. John Singler contacted Stephanie and Stephanie contacted Ike. Max is going to contact Ike to find out what is going on. Judith knows more about this because of her contacts from Little League. There is much more work to be done on this field before it is playable, along with little parking space.

PRYSC Scholarship renaming – we'll discuss this at a later date.

Unfinished Business: We want to purchase a bullhorn/portable PA system. We cannot vote to buy this. Jaime and Judith tested a bullhorn. We agreed that having a bullhorn is a good idea for announcing: sponsors, Jamboree games, lost kids, fire alarm instructions, etc. We discussed proper bullhorn etiquette. We don't want just anyone or anything shouted to all the fans.

Good of the Game: US Men's team is at the top of their group for qualifying for the World Cup. Brazil beat Uruguay. Abby Wambach #20 has the best header goals and the scoring record! Mandy is almost done with the registration box!

Adjournment: 9:33

1st Team Formation Meeting is for July 1st

6 p.m.

Max's office at Quail Park on Clark Rd. M5

2nd Team Formation and July Board Meeting is July 15th

Max's office at Quail Park on Clark Rd. M5.

6 p.m.

Put this on the website but don't mention that it is a team formation night.
